Dear Shareholder

I am pleased to send you details of the annual general meeting (“AGM”) of Raven Russia Limited (“Raven Russia” or the “Company”) which we will be holding on Wednesday 30 May 2012 at 1 Le Truchot, St Peter Port, Guernsey GY1 6EH. The meeting will start at 9.00 a.m. and the formal notice of AGM is set out on pages 4 and 5.

If you would like to vote on the resolutions but cannot come to the AGM, please fill in the Form of Proxy sent to you with this notice and return it to our registrars as soon as possible. They must receive it by 9.00 a.m. on 28 May 2012. Alternatively you may appoint a proxy for the AGM through the CREST System. Further details relating to voting by proxy are set out in the notes to the Notice of AGM.

Explanation of the business we will consider at the AGM

The Notice of AGM contains certain items of business which are of a technical nature and are therefore explained below.

Resolution 1.

Directors’ reports and accounts

The Directors are required to present to the AGM the Company’s accounts for the year ended 31 December 2011 and the reports of the Directors and auditors on those accounts. These are all contained in the Annual Report and Accounts 2011.

Resolution 2.

Remuneration report

The Company has chosen to ask shareholders to approve the report on Directors’ remuneration, which includes a long term scheme for the three years to 2014. This report is contained in the Annual Report and Accounts 2011.

Resolutions 3, 4, 5 and 6.

Re-appointment of directors

The Company’s articles of incorporation require one-third of the Directors to retire by rotation each year and no Director may serve more than three years without being re-appointed by shareholders.

Biographical details of all the Directors appear on pages 12 and 13 of the Annual Report and Accounts 2011.

Resolution 7.

Re-appointment and remuneration of auditor

This resolution proposes the re-appointment of Ernst & Young LLP as the auditor to the Company and gives the Directors authority to determine their remuneration.

Resolutions 8 and 9.

Authorities for the Company to purchase its own ordinary and preference shares

Your Directors believe that it is advantageous for the Company to continue to have the flexibility to purchase its own shares and these resolutions seek authority from shareholders to do so. Purchases of shares by the Company will only be made after careful consideration by your Directors, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion and its overall financial position.

These special resolutions would renew the authorities given to your Directors at last year's AGM. The maximum numbers of ordinary and preference shares authorised to be purchased (which represents 10% of the issued ordinary share capital and 14.99% of the issued preference share capital as at 13 April 2012 (being the latest practicable date prior to the date of this document)), and the maximum and minimum prices to be paid for them are stated in the resolution. As at 13 April 2012 (being the latest practicable date prior to the date of this document), there are 34,304,111 warrants to subscribe for ordinary shares outstanding. If the Company were to purchase the maximum number of ordinary shares permitted by resolution 8 such aggregate number of warrants outstanding could potentially represent 6.4% of the Company's issued ordinary share capital (excluding treasury shares).

The Company can hold the shares which have been purchased by it as treasury shares and either re-sell them for cash, cancel them either immediately or at a point in the future, or transfer them to an employee share scheme. Your Directors believe that it is desirable for the Company to have this choice. Holding the shares purchased as treasury shares will give the Company the ability to re-sell or transfer them quickly and cost-effectively and will provide the Company with additional flexibility in the management of its capital base. No dividends will be payable on, and no voting rights will be exercisable in respect of, treasury shares. The decision whether to cancel any shares purchased by the Company or hold such shares as treasury shares will be made by your Directors at the time of purchase, on the basis of the Company's and the shareholders' best interests.

Recommendation

Your Directors believe that all the proposed resolutions to be considered at the AGM are in the best interests of Raven Russia and its shareholders as a whole. Your Directors unanimously recommend that you vote in favour of the proposed resolutions as they intend to do in respect of their own beneficial shareholdings in Raven Russia.

There is more information about the AGM on the following pages.

Yours sincerely

Richard Jewson
Chairman

Notes:

1. As at 13 April 2012 (being the latest practicable date before the publication of this Notice) the Company's issued ordinary share capital consisted of 597,620,163 ordinary Shares carrying one vote each. Therefore, the total ordinary voting rights in the Company as at 13 April 2012 were 593,214,041 with 4,406,122 ordinary shares held in treasury which are not counted within the total voting rights of the Ordinary Shareholders.
2. A member entitled to attend and vote at the Meeting convened by the above Notice is entitled to appoint one or more proxies to attend and, on a poll, vote instead of him or her. A proxy need not be a member of the Company.
3. To appoint a proxy you may:
 - (a) use the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be received by post or (during normal business hours only) by hand at PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU in each case no later than 9.00 a.m. on 28 May 2012; or
 - (b) if you hold your shares in uncertified form, use the CREST electronic proxy appointment service as described in Note 6 below.

Completion of the Form of Proxy or the appointment of a proxy electronically through CREST will not prevent a member from attending and voting in person.

4. The Company, pursuant to article 132.2 of the Articles, specifies that only those members entered on the register of members of the Company as at 9.00 a.m. on 28 May 2012 shall be entitled to attend or vote at the meeting in respect of shares registered in their name at that time. Changes to entries on the register after 9.00 a.m. on 28 May 2012 shall be disregarded in determining the rights of any person to attend or vote at the meeting.
5. In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
6. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain the information required for such instructions, as described in the CREST Manual (www.euroclear.com/CREST). The message must be transmitted so as to be received by the issuer's agent (ID RA10), by 9.00 a.m. on 28 May 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended). Please refer to the CREST Manual at www.euroclear.com/CREST.
