The meeting will start at 11.00 a.m. and the formal notice of AGM is set out on pages 7 to 10.

They must receive it by 11.00 a.m. on Monday 11 May 2015. Alternatively you may appoint a proxy for the AGM through the CREST System. Further details relating to voting by proxy are set out in the notes to the Notice of AGM.

Explanation of the business we will consider at the AGM

The Notice of AGM contains certain items of business which are of a technical nature and are therefore explained below.

Resolution 1.

Directors’ reports and accounts

The Directors are required to present to the AGM the Company’s accounts for the year ended 31 December 2014 and the reports of the Directors and auditors on those accounts. These are all contained in the 2014 Annual Report.

Resolution 2.

Directors’ Remuneration Report

The Company has chosen to ask shareholders to approve the Directors’ Remuneration Report. Resolution 2 is an ordinary resolution to approve the Directors’ Remuneration Report.

Resolutions 3, 4, 5, 6, 7, 8, 9 and 10.

Re-election of Directors

Consistent with the provisions of the UK Corporate Governance Code, the Company has determined that all Directors will be subject to annual re-election by shareholders.

Biographical details of all the Directors appear on page 40 of the 2014 Annual Report.

Resolutions 11 and 12.

Reappointment and remuneration of auditor

These resolutions propose the reappointment of Ernst & Young LLP as the auditor to the Company and gives the Directors authority to determine their remuneration.

Resolution 13.

Authority to issue shares

The Company requires the flexibility to issue shares or to grant rights to subscribe for, or to convert any security into, shares of the Company (“securities”) from time to time. In accordance with the Company’s articles of incorporation (the “Articles”), the Board has an existing authority which will expire on 19 November 2015 or the conclusion of the Company’s 2015 AGM, whichever is earlier. To maintain this flexibility, it is therefore proposed to grant the Directors’ authority to issue securities during the period from 13 May 2015 until 12 August 2016 or the conclusion of the Annual General Meeting of the Company in 2016, whichever is earlier.

The authority will grant Directors the authority to issue:

- (a) ordinary shares of 1p each in the capital of the Company (“Ordinary Shares”) or grant rights to subscribe for, or to convert any security into, Ordinary Shares up to an aggregate nominal amount of £4,917,530, being approximately two thirds of the Company’s current issued ordinary share capital on 1 April 2015 (being the last practicable date prior to the publication of this document). In accordance with the ABI’s guidelines, one half of this amount (equal to one-third of the Company’s issued ordinary share capital) will only be applied (if at all) to fully pre-emptive rights issues; and
- (b) 32,698,824 cumulative redeemable preference shares of 1p each in the capital of the Company (“Preference Shares”), being approximately one third of the Company’s current issued Preference Share capital on 1 April 2015 (being the last practicable date prior to the publication of this document).

The Directors have no present intention of exercising this authority other than in respect of the issue of Preference Shares to satisfy valid applications pursuant to the Company’s quarterly scrip dividend programme.

Resolutions 14 and 15.

Authorities for the Company to purchase its own Ordinary and Preference Shares

Your Directors believe that it is advantageous for the Company to continue to have the flexibility to purchase its own shares and these resolutions seek authority from shareholders to do so by way of market purchases. Purchases of shares by the Company will only be made after careful consideration by your Directors, having taken into account market conditions prevailing at the time, the investment needs of the Company, its opportunities for expansion, its overall financial position and the applicable legal requirements which require the Directors to be satisfied on reasonable grounds that the Company will, immediately after any repurchase, satisfy a solvency test prescribed by Guernsey company law and any other requirements in the Company’s Articles.

These special resolutions would renew the authorities given to your Directors at last year’s AGM. The maximum number of Ordinary Shares and Preference Shares authorised to be purchased (which represents 10 per cent. of the issued ordinary share capital and 14.99 per cent. of the issued preference share capital, in each case, as at 1 April 2015 (being the last practicable date prior to the publication of this document)), and the maximum and minimum prices to be paid for them are stated in the resolution.

The Company can hold the shares which have been purchased by it as treasury shares (subject to any applicable limits) and either resell them for cash, cancel them either immediately or at a point in the future, or transfer them to an employee share scheme. Your Directors believe that it is desirable for the Company to have this choice. Holding the shares purchased as treasury shares will give the Company the ability to resell or transfer them quickly and cost-effectively and will provide the Company with additional flexibility in the management of its capital base. No dividends will be payable on, and no voting rights will be exercisable in respect of, treasury shares (although any shares transferred to and held within an employee share scheme, will not be caught by such restrictions). The decision whether to cancel any shares purchased by the Company or hold such shares as treasury shares will be made by your Directors at the time of purchase, on the basis of the Company’s and the shareholders’ best interests.

Resolution 16

Specific authority to make market purchases of Ordinary Shares pursuant to the current tender offer buy back

The Directors are not proposing a final dividend be paid to shareholders. Instead, the preferred route of distributing funds to shareholders remains by way of tender offer buy back. Your Directors are seeking a specific authority at the AGM to make on market purchases of 50,870,984 Ordinary

Shares. The minimum price which may be paid for any Ordinary Share purchased pursuant to this authority will be 1p (being the amount equal to the nominal value of each Ordinary Share). The maximum price which shall be paid for an Ordinary Shares pursuant to this authority shall be the greater of 52p and an amount equal to not more than 30 per cent. above the average of the closing middle market quotation for the Ordinary Shares as derived from the London Stock Exchange Daily Official List ("SEDOL") for the five business days immediately preceding the day on which the Company buys back the Ordinary Shares.

Ordinary Shares purchased pursuant to this authority will be cancelled.

The maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 50,870,984. Any purchases of Ordinary Shares made pursuant to this resolution 16 shall be in addition to any Ordinary Shares that may be purchased pursuant to the general authority relating to Ordinary Shares in Resolution 14.

Further details regarding the current tender offer buy back to which authority is being sought is set out in a separate tender offer circular which was sent to ordinary shareholders today.

Resolution 17

Disapplication of pre-emption rights

Under Article 5 of the Articles, when new equity securities are proposed to be issued for cash, they must first be offered to existing holders pro rata to their holdings. There may be occasions, however, where the Directors may need the flexibility to issue equity securities without a fully pre-emptive offer in order to take advantage of business opportunities as they arise.

The Board has an existing authority to allot equity securities for cash without such securities first being required to be offered to existing holders which will expire on 19 November 2015 or the conclusion of the Company's 2015 AGM, whichever is earlier. It is therefore proposed to renew the Directors authority to allot equity securities free of such pre-emption rights during the period from 13 May 2015 until 12 August 2016 or the conclusion of the Annual General Meeting of the Company in 2016, whichever is earlier.

The resolution will enable the Board, in appropriate circumstances, to allot for cash (other than in connection with a rights issue or open offer) equity securities with an aggregate nominal value of up to £368,814 being up to 36,881,400 Ordinary Shares and representing approximately 5 per cent. of the issued ordinary share capital of the Company as at 1 April 2015 (being the last practicable date prior to the publication of this document). The effect of the resolution is also to disapply pre-emption provisions in connection with a rights issue or open offer and allows the Directors, in the case of a rights issue or open offer, to make appropriate arrangements in relation to fractional entitlements of other legal or practical problems.

This Resolution is proposed so as to give your Board flexibility to take advantage of business opportunities as they arise.

Waiver of requirements of the UK City Code on Takeovers and Mergers (the "Code")

Under Rule 9 of the Code, when:

- any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which (taken together with shares in which persons acting in concert with him are interested) carry 30 per cent. or more of the voting rights of a company; or
- any person, together with persons acting in concert with him, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of a company but does not hold shares carrying more than 50 per cent. of the voting rights of a company and such person, or any person acting in concert with him, acquires an interest in any other shares which has the effect that their percentage holding of voting rights is increased,

that person is normally required by the UK Takeover Panel (the "Panel") to make a general offer to all shareholders of that company at the highest price paid by them for shares in that company during the previous 12 months.

As set out above, the Company will seek at the AGM:

- a general authority to make on-market purchases of Ordinary Shares, within limits, of up to 73,762,956 Ordinary Shares representing 10 per cent. of the Company's issued ordinary share capital – see Resolution 14 above; and in addition,
- a specific authority to buy back Ordinary Shares on-market, within limits, pursuant to a tender offer, of up to 50,870,984 Ordinary Shares – see Resolution 16 above.

Both authorities will expire 15 months from the date the resolutions are approved.

Invesco Asset Management Limited acting as agent for and on behalf of its discretionary managed clients ("Invesco") currently owns 29.17 per cent. of the Company's issued ordinary share capital. If the full 34,832,176 Ordinary Shares were to be purchased under the tender offer proposed today by the Company (the terms of which are set out in a separate circular sent today to ordinary shareholders (assuming no exercise of Warrants and excluding Invesco's tender offer entitlement)) and Invesco did not tender any Ordinary Shares to the Company pursuant to that tender offer, then Invesco's percentage interest in the Ordinary Shares would rise to 30.61 per cent. If the general authority proposed by Resolution 14 and the specific authority to buyback Ordinary Shares proposed by Resolution 16 were to be utilised in full (whether pursuant to one or a number of market purchases) and Invesco do not tender or sell any of their holding of Ordinary Shares (assuming no exercise of Warrants and excluding Invesco's tender offer entitlement), then its percentage interest in the Ordinary Shares would rise to 34.20 per cent.

Under Rule 37.1 of the Code, when a company purchases its own voting shares, any resulting increase in the percentage of voting rights of any person or group of persons acting in concert will be treated as an acquisition for the purpose of Rule 9.

Invesco is not connected with any of the Company's directors and, accordingly, the Panel has consented under Note 1 on Rule 37.1 that if any of the circumstances referred to above were to occur, Invesco would not incur an obligation to make a general offer under Rule 9. The exception in Note 1 on Rule 37.1 will not apply, and an obligation to make a mandatory offer may therefore be imposed, if Invesco acquires an interest in Ordinary Shares.

Further Information

As at 1 April 2015 (being the last practicable date prior to the publication of this document):

- the issued ordinary share capital of the Company was 737,629,560 Ordinary Shares, none of which were held in treasury;
- the issued preference share capital of the Company was 98,096,474 Preference Shares; and
- there were 25,435,205 Warrants to subscribe for Ordinary Shares outstanding (representing 3.4 per cent. of the Company's existing issued ordinary share capital. These Warrants will represent approximately 3.7 per cent. of the Company's issued ordinary share capital (excluding treasury shares) if the Company purchases the maximum number of Ordinary Shares pursuant to the authority proposed in Resolution 16 in connection with the tender offer proposed today to ordinary shareholders. If the general authority proposed by Resolution 14 and the specific authority to buy back Ordinary Shares proposed by Resolution 16 were to be utilised in full (whether pursuant to one or a number of market purchases), then the Warrants will represent approximately 4.1 per cent. of the Company's issued ordinary share capital (excluding treasury shares).

Recommendation

Your Directors believe that all the proposed resolutions to be considered at the AGM are in the best interests of Raven Russia and its shareholders as a whole. Your Directors unanimously recommend that you vote in favour of the proposed resolutions as they intend to do in respect of their own beneficial shareholdings in Raven Russia.

There is more information about the AGM on the following pages.

Yours sincerely

 - (b) if you hold your shares in uncertified form, use the CREST electronic proxy appointment service as described in Note 6 below.

Completion of the Form of Proxy or the appointment of a proxy electronically through CREST will not prevent a member from attending and voting in person.

4. The Company, pursuant to article 130.2 of the Articles, specifies that only those members entered on the register of members of the Company as at 11.00 a.m. on 11 May 2015 shall be entitled to attend or vote at the meeting in respect of shares registered in their name at that time. The message must be transmitted so as to be received by the issuer's agent (ID RA10), by 11.00 a.m. on 11 May 2015. 7. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34 of the Uncertificated Securities (Guernsey) Regulations, 2009. Please refer to the CREST Manual at www.euroclear.com/CREST.Appendix
