In light of the restrictions in place, shareholders are strongly encouraged to vote by way of proxy instead of attending the General Meeting in person.

### *Tender Offer*

Qualifying Shareholders who (a) hold Ordinary Shares in certificated form and (b) wish to participate in the Tender Offer, should follow the instructions in the Circular and on the accompanying Tender Form and return it by post in the accompanying pre-paid envelope to Link Market South Africa Services Proprietary Limited, PO Box 4844 Johannesburg or by hand delivery to Link Market Services South Africa Proprietary Limited, 13th Floor, 19 Ameshoff Street, Braamfontein, 2011 to arrive by no later than 12.00 noon on Monday, 28 September 2020. Dematerialised SA Shareholders who wish to participate in the Tender Offer should not complete a separate Tender Form but must provide their CSDP or broker with their instructions in terms of the agreement entered into between such shareholder and their CSDP or broker in the manner and time stipulated therein.

### **Settlement**

Settlement of the consideration to which any Qualifying Shareholder is entitled pursuant to valid tenders accepted by the Company, will be made as follows:

- Where an accepted tender relates to Ordinary Shares in certificated form, payment will be made by electronic funds transfers into the Qualifying Shareholder's bank account provided that such shareholder has included their banking details on the Tender Form. To combat the increase in cheque fraud, the Company will not make payments by cheque and accordingly, payments to certificated Qualifying Shareholders are dependent on Link Market Services South Africa Proprietary Limited being in possession of such certificated Qualifying Shareholders' banking details which must be completed in Box 7 on the Tender Form.
- Where an accepted tender relates to dematerialised Ordinary Shares, the Dematerialised SA Shareholder's account held at their CSDP or broker will be credited by Friday 9 October 2020.

Delivery of cash for the Ordinary Shares to be purchased by the Company pursuant to the Tender Offer will be made by Link Market Services South Africa Proprietary Limited. Link Market Services South Africa Proprietary Limited will act as agent for tendering Qualifying Shareholders for the purpose of receiving the cash and transmitting such cash to tendering Qualifying Shareholders. Under no circumstances will interest be paid on the cash to be paid by the Company or Link Market Services South Africa Proprietary Limited regardless of any delay in making such payment.

### **South Africa taxation**

*The following information, which relates only to South Africa, is applicable to the Company and to persons who are resident in South Africa and who hold Ordinary Shares as investments. It is based on the law and practice currently in force in South Africa. The information is not exhaustive and is intended as a general guide only and does not constitute advice. If any Shareholder is in any doubt as to his taxation position, he should consult his professional adviser without delay. Shareholders should note that tax law and its interpretation can change and that, in particular, the levels and bases of, and reliefs from, taxation may change and such changes may alter the benefits of investment in the Company. These comments do not apply to certain classes of Shareholders, such as dealers in securities, insurance companies, collective investment schemes and Shareholders who have, or are deemed to have, acquired their shares by reason of, or in connection with, an office or employment.*

For South African tax purposes, the receipt of the consideration in respect of Ordinary Shares successfully tendered will be regarded as a "foreign return of capital" as defined in the South African Income Tax Act, No. 58 of 1962 ("Income Tax Act"). This is because under Guernsey law the consideration will be regarded as a distribution of a capital nature, and not a dividend.

In terms of the Income Tax Act, such amounts are treated as a reduction in the expenditure (base cost) in respect of a share. If the foreign return of capital amount exceeds the expenditure (base cost), the excess is treated as a capital gain in the shareholder's hands.

If you have any queries please contact the Company Secretary.
